

NOTICE

Taking unauthorized pictures of residents or their personal space or making any type of video recordings is strictly forbidden and is considered and will be reported as mental abuse.

Each resident must be free from all types of abuse, including mental abuse. Mental abuse includes, but is not limited to, abuse that is facilitated or caused by nursing home staff taking or using photographs or recordings in any manner that would demean or humiliate a resident. Taking of unauthorized photographs or recordings using any type of equipment and/or distributing them through multimedia messages or on social media networks is a violation of a resident's right to privacy and confidentiality and will result in disciplinary action and a report made to State authorities.

YOU MUST REPORT!!

Every employee must report the taking and/or posting of photographs or recordings of residents to the Administrator of the facility. Failure to report known instances of unauthorized photographing, recording and/or posting on multimedia or social media can result in termination.
